Musicians can either learn to sing the melody lines of the music for this Mass or, if
you have a choir which sings in parts, choral booklets are available to help you to
learn the music beforehand. There's no time on the day to teach parts.

Number of unison melody booklets required at £1.00 each

Number of choral (SATB) booklets required at £5.00 each

Please do not cheat and photocopy from one booklet. Copyright fees have to be
paid to composers/publishers and the expense of organising this event covered.
Music will be sent out as soon as possible during March.

Please encourage all involved in Church Music to come.

If you would like to play a brass, wind or string instrument, please contact Fr
Jones. The preferred way to do that is e-mail: peter.jones@abcm.org.uk
